

Nilfisk Walk-behind scrubber/dryer

Nilfisk CA 331

Performance plus flexibility for added value

Wouldn't it be nice to be able to utilise the cleaning efficiency and productivity of a scrubber/dryer in smaller spaces? Well now you can, thanks to the CA331, the latest addition to the Nilfisk portfolio of value-adding floor cleaning equipment.

Nilfisk CA331 is the smallest scrubber/dryer in the Nilfisk portfolio. It represents a unique combination of compact design, cleaning performance and drying efficiency.

The Nilfisk CA331 is compact in size, allowing it to clean under furniture and in those tight, congested areas where other scrubber/dryers can't even think of going. Yet, despite the small profile, the cleaning power is that of a far bigger machine. In fact, no other machine on the market can offer the same combination of cleaning and drying efficiency, compactness, and value for money.

Being the best means that nobody does it better!

Dual squeegees give better drying in either "forward" or "reverse" mode

Recovery tank can be removed without tools for easy cleaning

No tools needed for replacing or servicing the brushes and blades

Folded handle makes transportation from job to job easy

A key option is the carpet cleaning kit

The practical answer for smaller area cleaning

- Easy to transport: the machine weight is only 22 kg; the handle can be folded on the machine.
- Scrubbing and drying performance: the machine is equipped with two brushes/ pads giving 15 kg of down pressure, to ensure real scrubbing efficiency
- The unit can be operated going forwards or backwards, with terrific drying capability in either direction
- Superb compact design (56cm x 39cm x 37 cm) allows cleaning in highly congested areas, even cleaning under furniture
- Adjustable handle allows the operator to select the optimal cleaning position
- Folding handle makes transportation from job to job easy
- Superb performance in areas where scrubber/dryers normally can't access

Optional carpet wand kit allows the Nilfisk CA 331 to be used on small carpeted areas

Nilfisk CA 331

The Nilfisk CA 331 is ideal for the daily maintenance of any hard floor that can be cleaned and leaves stone, tile, cement, marble, rubber, vinyl and sealed wood floors spotless

Price – Productivity – Performance all in the right balance

Technical specifications

| Description | Unit | CA 331 |
|--------------------------------------|-------------------|--------------|
| Voltage | V | 230 |
| Rated power | W | 580 |
| Airflow | l/sec. | 34 |
| Sound power level | dB(A) | 72.5 |
| Vacuum | kPa | 17 |
| Productivity rate theoretical/actual | m ² /h | 990/500 |
| Scrubbing width | mm | 330 |
| Max speed | km/h | 3 |
| Solution/recovery tank | litres | 7/8 |
| Brush/pad diameter | mm | 165 |
| Brush pressure | kg | 15 |
| Length x width x height | cm | 66 x 39 x 37 |
| Weight | kg | 29 |
